1 x Sulzer Rüti Complete Weaving Plant
Type: Airjet Width: 1900mm YOC: 1985-1986 EL: 380/3/50
Complete airjet weaving factory for synthetic weaving, polyester, polyamide and synthetic/cotton mixes.
Capacity is approximately 1.5 million meters per year based on 312 days production, i.e. 6 days per week.
Average running 500 picks per minute, 1 operator per shift.
Products have been used in the sporting and clothing industry mainly as outerwear.
Consisting of:
- 18 x Sulzer Rüti L5000 airjet looms, model L1-1THS-190-Kn, each equipped with 8 healdframes, 5 droppbars, Loepfe TC1S Thermocut edgesealing, separate Grob batching motion, 2 integrated Sulzer weft-feeders, 2 warpbeams - dia 800 mm and Staubli 2511 dobby for 12 shafts.
- 13 x Sulzer Rüti L5000 airjet looms, model L1-1TNS-190-I, each equipped with 4 healdframes, 5 droppbars, Loepfe TC1S Thermocut edgesealing, separate Grob batching motion, 2 integrated Sulzer weft-feeders and 2 warpbeams - dia 800 mm.
All looms are equipped with Tecnomen T216 modules and all are connected to a central computer to oversee all production and stops easily.
There is also a total of 12 pcs (2 x 6) ROJ Super Elf weft-feeders so 5 looms can be equipped with these instead of the original Sulzer weft-feeders. There are two additional Staubli 2511 dobbies that could be used either as spares or be mounted and retro-fitted on two of the 190-I looms as well.
Plant is also complete with;
- small machine to make the edge-sewing thread
- some additional healdframes
- additional reeds
- Fischer drawing-in machine
- 2 Uster TPM Topmatic knotting machines with frames
- additional warpbeams
- beam trolleys
- 6 pcs (2 x 3) IRO IWF 8407 weft-feeders with box.

I can supply fantastic running condition
Picanol Air-Jet Looms OMNI, 220cm, 6 Color, Dobby #2861, yom2000 x 36sets.
As you know, now a days there's a big demand of 6 Colors Shirting Weaving by
Picanol OMNI Looms,
More production than Rapier looms, so can reduce the fabric order delivery time,
As the fabric market need quick delivery at this quick changes of fashion trends !!

6 Color looms is very seldom to find in the 2nd hand Air-Jet market,
please don't lose this good opportunity.

All machines are under my possession.
If you are interested, please send me one e-mail,
then I can give more photos and price.

Looms looks cotton dusty, but perfect condition.

There are also 14sets of OMNI, 220cm, 4 Color, #2861 doobby looms.
